****MEMBERSHIP DISCLAIMER and CART POLICIES****
(must be signed and returned with membership order form)

*Memberships are non-refundable and non-transferable. Hiawatha Annual Single or Couples Cart Pass covers your individual and/or spouse's cart fees for the season. This means you may use a Hiawatha owned golf cart at any time. Any individual that does not have Hiawatha cart pass and rides in a Hiawatha owned golf cart, must pay the daily cart fee to HGC. Your cart pass also covers your cart fee if you ride in a privately owned golf cart. **IMPORTANT NOTE: Hiawatha cart pass owners in the same 4-some must ride together in a Hiawatha Cart. Cart passes DO NOT give cart pass owners the right of riding in their own Hiawatha owned cart. The purpose of this policy is to save fuel and the wear and tear of extra golf traffic on the golf course. Hiawatha Trail Pass covers an individual's cart fees when riding with a private cart owner, but does not give you privileges of using a private cart owner's golf cart. Trail Pass holders also receive a discount on the daily Hiawatha cart rates. Cart Shed Lessees must be a HGC Member. The cart shed rental price covers the entire rental of the cart shed for a year (April 1 to March 31). It also covers the private trail fee that covers your use of the cart on HGC. Immediate family members (22 years and younger) who live at home, may use you private golf cart at no charge. Immediate family members, not living at home, must pay HGC the daily trail fee. Non-family members using a private cart must pay the HGC daily cart fee.***
